1. The free and freely accessible content on this website has been created with the utmost care. However, the provider of this website does not guarantee the correctness and timeliness of the journalistic guides and freely available news. The use of content from such websites is at your own risk. Accessing this freely available content does not establish a contractual relationship between the user and the provider, to the extent that there is no legal obligation on the part of the provider.

2. Links

The website contains links to other websites ("external links"). These websites are the responsibility of their respective operators. At the time of creating these external links, no legal violations were evident. The provider has no influence on the current and future design of linked pages. Ensuring ongoing review of external links would not be reasonable for the provider without specific evidence of legal violations. In case of reported legal violations, the affected external links will be removed immediately.

3. Copyright/Related Rights

The content published on this website by the provider is subject to Swiss copyright and related rights. Any use not permitted by Swiss copyright and related rights requires the prior written consent of the website provider or the respective rights holder. This particularly applies to duplication, modification, translation, storage, processing, and/or reproduction of content in databases or other electronic media and systems. Content and rights of third parties are identified as such. Unauthorized copying of the entire website or parts of it is not permitted and will be pursued legally. Only the production of copies and downloads for personal, private, and non-commercial use is allowed. This website may not be displayed by third parties in frames or iframes without written permission.

4. No Advertising

The use of contact information in the imprint for commercial advertising purposes is not expressly desired unless the provider has given written consent or a commercial relationship already exists. The provider and all persons listed on this website expressly oppose any commercial use and disclosure of their data.

5. Special Terms

In cases where special terms for individual use of this website deviate from points 1-4 mentioned above, this will be expressly indicated in the appropriate place. In such cases, the special terms of use will apply in the specific case.
